As seen on TV,countless mags,newspapers and You tube...

If you want to get your hands on one of the most famous record setting street cars in the world then just contact me by mail.Very serious enquiries only. Just check out the spec on " the car" page to realise this has only the best equipment on it.

It is not being sold cheap...

The reason for the sale is the picture below. I've had the old girl 27 years and it will kill me to sell her,but unfortunately it's the only way i can finance the new project.
