We are proud to announce that Shane Tecklenburg aka Fast Motorsports has committed to supporting the RV1 racing team for 2014 and beyond!

Fast Motorsports head honcho Shane Tecklenburg is THE premier tuner of all things with an engine, from single cylinder to 12 cylinder, N/A, turbocharged or supercharged.

Frosty says "Shane has the ability to get the very best out of everything he gets involved with, wherever you are in the world!. His ability to remotely tune from his office is unrivalled in my opinion, and he is one of the big reasons that our team are always setting world records! Of course his on site skills are equally, if not more impressive! The proof of that is what we have achieved in the last 2 years. Shane T involved with your program = Win!

We are very proud and honoured that Shane has chosen to support our team again for the foreseeable future, and look forward to what he can do for us next year!"

Visit Shane's website or click on the logo to the left, and get in touch with him to see how he can improve your program. You'll be very impressed!
