I have a new batch of T-shirts available for our fans and supporters.

Price is £13.50 each plus £3.00 p+p for up to 2 shirts (UK only), and £5.00 p+p for up to 5 shirts (UK only). Overseas orders are subject to their own price scale and i'll need to check wether my bank will except foreign currency without charges.

I have no paypal account so it's either cash or cheque(UK only).

Sizes are available from small to 4 XL so pretty much everyone is catered for. Only the jolly green giant or a mouse will be disappointed!

To get yourself a shirt you need to e-mail me on redvictor1@hotmail.com and i'll give you the address to send your remittance. Shirt/s will be sent on receipt of payment.

If you want them for 2011 as a xmas present i will need payment before 16th December.

Of course the shirts will be available at the track next year for you folks that don't need them in a hurry...
