It's that time of year again, and now the snow has started to fall (on the site if you noticed) it's time once again to wish all of our fans, friends, customers, supporters and sponsors a very merry xmas and a prosperous 2012. Of course anyone who doesn't celebrate xmas and is one of our fans, Happy holidays to you.....

Hopefully we will see some of you trackside next year, when we get that record we've worked hard for in 2011, but just ran out of time..
