

RV3 made it to Bahrain!

Written by Frosty

Sunday, 29 January 2017 18:55 - Last Updated Sunday, 29 January 2017 19:34

As the title says, after a lot of blood,sweat and tears the car and truck made it to Bahrain to race in the last 3 rounds of the BDRC championship.

We are there running exhibition passes only, to first try and run a 5 second 1/4 mile, and then to try and wrestle back the world quickest and fastest street legal car in the 1/4 mile title.

Our first round is in the books. And after overcoming a lot of problems we managed to come away with a 6.31 @ 236mph PB.

Round 4 and 5 of the BDRC championship will be starting on the 21st Feb 2017.

Massive thanks to the staff at Bahrain International Circuit, the entire E Kanoo racing team, Shane Tecklenburg, Jamie Miller, Josh Ledford, the Red Victor team, our great sponsors and supporters, and of course the Red Victor 5 second club members.

Watch out for the live feed You Tube link from the BDRC of all the action from qualifying and race day.

And of course you can always ask to join our RV 5 second club page which will have live updates at the track from ourselves.
