The long awaited documentary is here for you folks who don't do social media.
Filmed early this year (2018) at the Bahrain International circuit it tells the story of our efforts to get back the worlds quickest and fastest street legal 1/4 mile title.
It's long, but well worth the watch as it's all real life. It's all about the blood ,sweat and tears of record chasing 5000 miles away from home(ours).....
