The Euro finals are here again, and so fast too! It seems like I was only at Trax a couple of days ago..lol.

Everything is ready for Wednesday and the 5th Gear filming. I'm really looking forward to taking Johnny(Smith) up the track for a taste of what it's really like to go fast!! Big thanks to the staff at Webster race engineering(particularly Johnny Mac) who got the car in for a check over at the drop of a hat, and Copy Print Depot www.copyprintdepot.co.uk who made me some excellent new "hero" cards in record time. Staffed by noted bike racer and Santa Pod crew member John Hackney they can cater for all your print needs with speed and efficiency. Visit them on the web address above....

Come and say hello at the Pod if you're up there....ANDY.
