Driver and Team Principal/Owner : Andy "Frosty" Frost

Andy has owned Red Victor since 1982 and has been drag racing with the car since 1988. He's won a multitude of races in all different classes and travelled to the USA,Canada and Europe with the car. He's also raced in Top methanol dragster! Now he his taking the ultimate step in doorslammer racing in 2011 with Red Victor 3. Yes,it's Pro Modified time,and still with a street legal car!
Look out for us at Santa Pod.

Tuner : Shane Tecklenburg

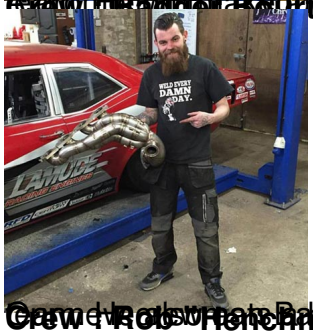

As we have gone to a MoTeC M800 EFI system there was only one man for the job of tuning. His vast experience with twin turbocharged cars meant that him tuning the new car was a no brainer.He is able to not only tune the car whilst he's here but remotely from his base in California,USA!!

You can see Shane's accomplishments on his site at www.fastmotorsports.com
